Only after successful completion of the probationary period will Recommended Installer status be granted. Once granted, the agreement will be sent via email to the address provided on this application form. This agreement will enable Recommended Installers to benefit from a range of marketing opportunities, competitions, discounts and the Exclusive reward scheme, terms and conditions apply.

AG Recommended Installers, are not working for, contracted by or employed by AG, however they should conduct themselves in a manner that is fair, using clear language with customers, provide professional advice on installation and perform work safely. AG cannot be held responsible for the quality of workmanship or issues relating to the contractor-client relationship. AG are not responsible for any aspect of poor workmanship by the installer. Any customer concerns or complaints raised to AG will be passed back to the installer where responsibility lies to resolve to the satisfaction of the customer. Recommended Installers as independent businesses are responsible for their own health and safety, insurance, equipment, risk assessments, private documents and information associated with their business. Recommended Installers are expected to promote AG products therefore customers who contact you with an AG design, quote, order or all are expected to remain loyal to the brand.

Thank you for taking the time to fill out our application to become an AG Recommended Installer.

AG's Recommended Installer Manager or a member from your local Outside Room Centre will be in contact with you soon.
