## Brick Collection

By Acheson & Glover

### Detailed description

Acheson & Glover supplies an extensive range of concrete facing bricks in a choice of finishes and colours; also a comprehensive selection of special shapes for detailing purposes.

Product range:

- Heritage: Hand finished textured concrete bricks and specials giving a traditional appearance and individual character. Non-standard specials can also be made to order.
- Lanyon: Textured concrete bricks giving a reclaimed look to create a handcrafted appearance.
- Oakland: Smooth, textured and old-world finished concrete bricks and specials. Non-standard specials can be made to order.
- Stately: A selection of multi-colour blends and two distinct finishes.
